

## List of MANDATED BODIES

### entitled to act in lieu of public administrations in the framework of twinning projects for the purpose of Institution Building under PHARE and CARDS / TACIS and MEDA.

\* Institutions marked with an asterisk are mandated to act in lieu of public administrations subject to the following restriction: neither the body itself nor any of its constituent members may respond, for a period of 2 years after the end of the twinning project they have been involved in, to commercial calls for tender directly linked to the twinning project.

**Mandated Bodies of Acceding Countries will only be eligible for participation in Twinning under Phare and Transition Facility as from 1 May 2004.**

### Fees

The revised Twinning Manual (June 2001) lays down standard fee rates for staff from mandated bodies according to three expert classes. Please refer to chapter 5.4 for details. Mandated bodies able to provide evidence that they cannot cover their staff's real gross salary costs with the standard fee rates, may apply for authorisation, under the responsibility of their Member State NCP, to charge up to an additional 100 Euro. These non-standard fee rates are indicated in square brackets after the name of the institution.

### **AUSTRIA**

- Österreichische Nationalbank
- Österreichischer Städtebund
- Österreichischer Gemeindebund
- Österreichisches Normungsinstitut (ON)
- [Class2 experts: 450€ ]
